the e30 3 series was the car that defined bmw more than any other during the 1980s and it has gone on to become a much loved modern classic this book tells the full story of the cars from the time in 1976 when work first began

on the successor to the original e21 3 series this new book features the story of how and why bmw designed their new compact e30 saloon for the 1980s the styling engineering and specification changes introduced over the lifetime of the model there are full technical specifications including paint and interior trim choices given along with a chapter on the special us variants details of the m3 and the cars produced by the leading german tuners and finally there is a chapter on buying and owning a bmw e30

the creators of crayola changed the name of the game when they invented crayons in the early 1900s with more than 100 colors available in crayon marker or colored pencil form the choices are endless unleash your colorful wings in this inspiring title for young readers

the los angeles area feels almost alive with movie history it is impossible to walk down any neighborhood block that didn't play host to movie history on some level from chaplin walking hollywood sidewalks in 1915 to the three stooges running down culver city streets in 1930 to westerns filmed in the valley in the 1950s the area has been the background for thousands of films and home to millions of movie people historical documents census records movie studio and institutional archives and personal writings have all been scoured in order to compile the most exhaustive and complete hollywood address listing ever compiled

organizations such as the sierra club and friends of the earth are familiar to anyone with an interest in environmental protection as activist groups they played by the same rules for years but in 1994 the rules changed with the republican takeover of congress environmental groups faced sweeping changes in federal policies that threatened the enforcement of environmental laws as these organizations intensified their efforts to meet these challenges they also altered their electoral strategies and political spending patterns this book traces those actions and shows what they mean for the future of environmentalism in the political arena while environmental advocacy groups have become bigger and better funded in recent years so have the corporate interests that compete with them for the attention of public and politicians the green agenda in american politics offers a new look at environmental advocacy that focuses on contemporary lobbying electioneering and agenda setting in this new context drawing on interviews with activists from a wide range of organizations robert duffy describes what environmental groups actually do when lobbying officials or the public he examines activity at both national and state levels to emphasize their growing use of websites email and action alert networks to conduct more

sophisticated grassroots campaigns and he shows how they are devoting more funds to unregulated forms of spending such as independent expenditure issue advocacy advertising and public education campaigns duffy also tracks emerging trends in interest group politics and provides an overview of activism through the early 1990s he then documents the emergence of more aggressive action after 1994 such as providing campaign services to candidates and mounting voter registration drives he also shows how state and local groups have begun to play more important roles in the wake of the rollback of federal environmental regulations brimming with new insights into interest group lobbies in general and contemporary environmental groups in particular duffy s book opens a new window on the influence of big money in the supposedly democratic electoral process

this work focuses upon women who have not merely produced comic texts but used their comedies to examine laughter itself as a problematic issue whether to embrace laughter wholeheartedly whether to do so in a cautious and limited manner or whether to forswear it entirely women s opinions and indeed feminists opinions have seldom been in accord on one answer for women writers of the 20th century a century of activism laughter has been something to be weighed carefully in terms of its ethical political and pragmatic relationship to feminist values as well as its ability or inability to help women survive

since cuba s esteban bellan made his debut for the troy haymakers of the national association in 1871 latin americans have played a large role in the major leagues nearly 15 percent of big league rosters are made up of latinos while the region s colorful and competitive winter leagues have been a proving ground for up and coming major league players and managers early latin american stars were barred purely because of the color of their skin from playing in the major leagues players such as jose mendez and martin dihigo the only player elected to the u s cuban and mexican halls of fame made their marks on the negro leagues turning the leagues barnstorming tours into major attractions in many caribbean countries this history of the players and events that make up the rich tradition of latin american baseball gives a unique insight to this long neglected area of baseball
